

Hole-in-One Pool

Everyone who wants to be in the pool pays in a fixed \$10 which will be held by the HTGA treasurer. If any member of the pool scores an ace* in one of our events, they collect the entire pool (and have to buy drinks for everyone there). Once the pool is distributed, pool members then pay in again and the process repeats.

- *An ace is a hole-in-one on any official hole in an HTGA event, excluding temporary greens or tees that significantly change a hole for play. If more than one ace is scored at a single event, the pool will be split between those members of the pool. Any disputes will be settled by a vote of members of the pool.*
