

Houston Telephone Golf Association

2018 Match Play

The top four players from the March 5th Golfer of the Year competition were slotted in the bracket into separate groups, with the remaining players drawing numbers for the other 12 slots to determine first round matches.

Single elimination match play will be played throughout. One player from each group will advance after the first two rounds to the semi-finals.

Match dates and venues are to be scheduled by the players and completed within the allotted times:

First Round	May 13 th
Second Round	June 24 th
Semi-Final Round	August 5 th
Final and Consolation	September 16 th

Prize fund:

1 st Place	\$140
2 nd Place	\$100
3 rd Place	\$60
4 th Place	\$20

Match Handicap will be 80% (rounded up or down to nearest whole number) of the Course Handicap Index differential for course / tee box chosen by the participating players. Players will play the same tee box, to be agreed to by both players.

It will be up to the individual players to arrange and complete their match before the deadlines. HTGA will not be responsible for arranging matches. Players may choose to play their match during a monthly HTGA tournament but that is a decision of each individual golfer. Any golfers' desire to avoid conducting a match during the monthly HTGA stroke play tournament is understandable recognizing the unique strategy involved in match play and should be honored.

GOY points will be awarded to participants, 15 points for those losing in the 1st Round, (8 players), 18 points for those losing in the Quarter-final Round (4 golfers) and 25, 24, 23 or 22 points for 1st thru 4th place.

For questions, contact Match Play Tournament Director Bob Proffitt. You can contact Bob or Steve Denby for verification of handicapping for scheduled matches. Make sure you provide the course and tee box being played.
